I am an Italian born plastic surgeon qualified in plastic and reconstructive surgery.

For the past 23 years I have lived and worked between Italy, Spain, UK and Dubai where I have established myself as a leading surgeon at the forefront of my profession.

I have performed in excess of eight thousand (8000) aesthetic surgical procedures, often recognized in the media and TV programs as a breast and abdominal surgery specialist, I do also perform many body and facial surgery procedures.

I have trained in Aesthetic Surgery several assistant that are now working as Consultant in different hospital both in UK and Italy and I'm working at present as one of the Instructor of the IMA – Institute of Medical Aesthetics in Dubai

In 2009 I have been appointed as a Medical Director of Dolan Park Hospital in Bromsgrove, which is the largest UK hospital for cosmetic surgery, with his own 5 operating theatre, 13 plastic surgeons and almost 500 cosmetic surgical procedures performed on a monthly basis.

I am on the Specialist Register and I am also a member of many professional organizations. Continually developing my portfolio of skills, I am committed to the advancement of cosmetic surgery practice and frequently travel worldwide attending specialty conferences and events.
